OUR VALUES, VISION AND MISSION

New Lambton FC Juniors has adopted a set of Values to guide Club behaviour:

1. Wellbeing: We develop and promote a safe and supportive environment
2. Excellence: We strive for quality and improvement in everything we do
3. Integrity: We know and do what is right
4. Respect: We respect diverse views and opinions and act with integrity, and treat others as we expect to be treated

Our **WEIR Values** (Wellbeing, Excellence, Integrity and Respect) underpin everything we do as a Club, as well as how we expect all our players, volunteers and others to engage with one another and the community. Our Values help set our Club's Vision and Mission Statement.

Vision

For New Lambton FC Juniors to be the leading and most respected local community football club and to support and promote football to ensure it is the largest and most popular sport for males and females.

Mission

1. To provide for all our members a Club run to the highest standard, without limitation as to age, race, religion or gender.
2. To improve the publicity of, and public perception of, amateur football at the Club level, so as to foster the continued prosperity of the sport.
3. To encourage and assist new and current players wishing to participate in organised amateur football.
4. To provide high-quality facilities for the benefit of all our members and the wider community.
5. To provide a progression pathway for all our members, from grass-roots through to the highest level of football available.
6. To do all these things whilst having regard for the amateur nature of our membership, and therefore keeping Club / Player costs at the lowest possible level.

New Lambton FC Juniors understands the value of diversity, equity and inclusion and expects its members to treat each other and members of the community with dignity and respect. We are committed to creating an inclusive Club culture where everyone feels respected, valued and safe to contribute their opinions and talents to the success of the organisation so that we can drive positive community outcomes. We value diverse styles, experiences, and perspectives. People from diverse backgrounds (including but not limited to, Aboriginal and Torres Strait Islander Australians, people with diverse gender identities and sexualities, people from different cultural and linguistic backgrounds, people with disability, and veterans) are welcome.

2023 GOOD SPORTS AWARDS

Megan Payne - WINNER 2023 NSW GOOD SPORTS VOLUNTEER OF THE YEAR

Megan Payne from our Club was awarded the 2023 NSW Good Sports Volunteer of the Year award for her unwavering dedication to strengthening her club and the broader community.

Megan is the heart and soul of the club, leading by example, and selflessly investing her time, energy, and resources into making it a better place.

Megan has contributed her time and expertise in various roles within the club – she has coached, played, and volunteered, often all at the same time.

In her current role, she handles everything from scheduling to finances, to mentoring and everything in between. Her work has streamlined the club and allowed it to grow significantly.

Megan's service to the club also includes organising large-scale fundraising and social events that have generated substantial funds for the club's development.

Her impact on the club, its members, and the community is immeasurable and has made her a shining example of what makes our club proud.

Megan is a mentor and role model, creating an environment where members feel supported, encouraged, and part of a larger family.

New Lambton FC – RUNNER-UP: 2023 NSW GOOD SPORTS CLUB OF THE YEAR

Our Club was announced runners-up for the 2023 NSW Good Sports Club of the Year Award, for adopting practices and strategies to build a more family-friendly club environment.

The Good Sports program has been instrumental in preventing alcohol and drug-related harms within the club, fostering a culture of responsibility, and providing education and support. Joining the Good Sports program has increased our awareness of alcohol and drug-related issues and has facilitated discussions and workshops on responsible drinking and problematic substance use, ensuring both players and supporters are well-informed.

Good Sports has supported our club to introduce policies around alcohol availability and the promotion of healthier choices.

ALL OUR VOLUNTEERS NEED A WORKING WITH CHILDREN CHECK

The Working with Children Check (WWCC) is a requirement for anyone who works or volunteers in child-related work in NSW. It involves a National Police Check (criminal history record check) and a review of reportable workplace misconduct.

To complete the check you will need:

- personal details, including date and place of birth
- 4 proof of identity (POI) documents including:
  - one commencement of identity document
  - one primary use in the community document
  - 2 secondary use in the community documents.

At least one of your documents must contain your signature and photo and all documents must be current and original.

The website is: **Working With Children Check - Apply**

2024 UNIFORMS

2024 HOME STRIP

2024 TRAINING STRIP

2024 ALTERNATE STRIP

Each registered player receives a home shirt, a training shirt, a pair of shorts and playing socks. Alternate playing strips are distributed as-needed.

TRIAL GAMES

This year our pre-season trial games shall be played with our good friends at Maitland Junior Football Club. Games shall be split across both grounds - MJFC are going to host some at Fieldsend Oval and we shall host some at Novocastrian Park.

Given the volume of teams we are going to have this year, a split across both areas is necessary to get through all the games. This is an excellent arrangement, and gives both clubs the opportunity to "blow the cobwebs out" prior to the season-proper.

The dates of 5th, 6th and 7th April have been earmarked for the Trial Games Weekend.

We are looking to include Miniroos as well as Competition teams, so there may likely be in excess of 70 games across the weekend - a big weekend for all involved so we will also be calling for volunteers to help out.

More details shall be made available shortly, so can all coaches, managers and parents please give this some consideration as we will need to move quickly to ensure the smoothest pre-season trial game weekend possible.

Transport to Fieldsend Oval for those teams playing there shall need to be arranged by the team / player - NLFCJ shall not be arranging transport.

PARENT / SPECTATOR CODE OF CONDUCT

Parents and Spectators Code of Conduct:

- I will display good sportsmanship, and always respect players, coaches, officials, volunteers and other spectators.
- I will act appropriately at all times and encourage, in a positive manner, fair play from all participants.
- I will be supportive after the game, regardless of the score, and I will recognise good effort, teamwork and sportsmanship.
- I will resolve to conduct myself in a manner consistent with the culture and aspirations of the club even under the most trying circumstances.
- I will not use obscene or vulgar language on the field or in my role as a spectator.
- I will not taunt players, coaches, officials, or other spectators by means of baiting, ridiculing, making negative comments, threat of violence or actual violence.
- I will not boo or jeer players or officials.
- I will not speak directly to or openly challenge the work of an official.
- I will not openly object to an official's call or yell at an official.
- I understand and respect that the Coach and Team Manager are responsible for the team and my child while he / she is playing and I undertake to follow reasonable directions from them.
- I will not consume drugs or alcohol on the playing fields.
- I will respect the facilities and grounds when playing at home or when playing away.
- I will encourage my child to speak to the coach or manager about any concerns or difficulties.

If a parent violates any part of the Code, the Committee may rule that they cannot attend another game, practice, practice game or tournament game for two weeks.

In the case of subsequent violations the parent may be subjected to further disciplinary action by the Committee, which may include a permanent ban on attending games or, in the worst case scenario, suspension of the child for the parent's failure to adhere to the Code and / or comply with the sanctions.

All penalties will be assessed and determined by the full Committee.

WHAT DO I DO IF THERE IS AN INCIDENT OR INJURY AT A CLUB SANCTIONED EVENT?

All incidents must be reported as soon as possible, and no later than within one (1) day to the Club, who will gather the relevant details and initiate appropriate investigations where required.

Even a small incident or injury should be reported.

Each game has at least one Duty Officer, and they shall be able to assist with calling for assistance (e.g. ambulance, police, etc), injury management and reporting.

First aid kits are located in the following locations:

- Novocastrian Park: Canteen
- Novocastrian Park: Referee's Room

Defibrillators are located in the following locations:

- Novocastrian Park: Referee's Room

Ice is available from the Canteen at Novocastrian Park on game days.

All Duty Officers and other NLFC representatives present during game days have UHF (walkie talkie) communications.

UNIFORMS

All Players MUST wear the correct uniform to play. Officials will not allow a Player to commence play if they are not wearing the correct uniform. Metal studded boots are not permitted.

Volunteers (such as Coaches, Team Managers, and other general volunteers) are strongly encouraged to wear the Club's colours when performing a function for the Club, and when attending matches. The Club is not in a position to provide these at no cost to our volunteers, although such items as Club-branded polo shirts, jackets, bags, caps t-shirts, etc are available through the Club shop.

Club colours are not only encouraged to ensure our volunteers look professional and to promote our Club and sponsors, but also as a form of credential – this sets you apart and shows other volunteers, NLFC Officials and the public that you are there to help.

If you choose not to wear the Club's colours as a volunteer, please ensure that what you do wear is appropriate. Attire deemed inappropriate may include offensive clothing, untidy, dirty or torn clothes, "patch" colours, costumes and / or swimwear.

Shoes must be worn at all times for safety reasons. We recommend that you wear a strong closed toe shoe or work boot.

OUR CHOSEN CHARITIES

Being a community, family-focussed Club, we feel that supporting charities is a meaningful way for the Club to contribute to positive societal changes, express empathy, and address pressing issues. Charitable support and contributions play a vital role in creating a more compassionate and equitable world.

Our Club's chosen charities are **Got Your Back Sista** and **Black Dog Institute**.

LOOKING FOR CLUB PARTNERS

Running a community football Club is not easy, and we generally have only two things that stop our Club from being the best we can be - volunteers and funding.

We have some fantastic Club sponsors, supporters and partners, although we are always looking for more funding partners to allow the Club to thrive and to ensure that the equipment we have is fit-for-purpose, safe and ready to go.

For example - to provide everyone a practice ball at training, we need around 1,000 balls (plus another 100 or so for game balls). For everyone to have a training bib, we need around 1,000 bibs, plus nearly 200 volunteer bibs. To have enough training cones for all the teams, we need around 1,600 cones. For each team to have portable mini-goals for training we need around 80 sets of goals. This is just a small insight into some of the things we need to make your Club be as good as it can be.

We need people to help with general teams management, gear and equipment distribution, general administrative tasks, helping with game days and assisting at our Bunnings BBQ's - to name just a few. If you think you can help by volunteering some of your time or if you know someone who may be interested, please reach out to us for more information on **info@newlambtonfcjuniors.org.au**

If you are considering a Club sponsorship or if you know someone who may be in a position to do so, please contact us on **supporter@newlambtonfcjuniors.org.au**

DID YOU KNOW THAT.....

When you're in a time of technological change, it's hard to know which innovations will last, and which will fade away. That's a problem New Lambton council faced 100 years ago, when they moved to mechanised transport.

In August 1923 the council decided to sell their horses and drays and purchase a steam powered "Super Sentinel" lorry. Manufactured in Shrewsbury, England, the lorry was sent by ship to Sydney for final assembly. The council advertised for a driver, and with the economy still suffering a high rate of post-war unemployment, received 96 applications for the position.

With the truck's arrival early in the new year, council arranged a public demonstration on 19 January 1924. The Newcastle Morning Herald reported "The Super Sentinel steam lorry purchased by the council for £1400 was given a very successful trial on Saturday afternoon, in the presence of the aldermen of the municipality and several visiting aldermen. The machine was driven by Mr. C. J. Robinson, and the various steep grades were easily negotiated with a 6-ton load of gravel."

Despite the glowing appraisal of this new technology, reality did not measure up to expectation. The following year breakdowns regularly kept the lorry out of action. At a fiery council meeting in October 1925, some blamed the driver for operating the truck inappropriately. With continuing breakdowns, a motion was tabled in March 1926 to dispose of the lorry. The motion was defeated, but soon afterwards council decided to supplement the troubled steam machine by purchasing a petrol lorry, the first of many more to come. The "Super Sentinel" continued to be used until the amalgamation of suburban councils into Greater Newcastle Council in 1938. In June 1941 Newcastle council briefly brought the steam lorry back into service to assist the effort to conserve petrol supplies during the war. When war-time rationing ended, the age of steam powered road transport was soon over, and petrol and diesel power has dominated to this day.

The article above was first published in the January 2024 edition of The Local.

UNDERSTANDING MINIROOS U6 - U11

The following aspects of MiniRoos Club Football are common across all age groups from Under 6 to Under 11.

Start of Play and Re-start After a Goal: Pass to a team mate from the middle of the half way line. All players must be in their own half of the field of play. Opponents must be at least 5 metres away from the ball until it is in play. The ball must touch a team mate before a goal can be scored.

Ball in and out of Play: The ball is out of play when it has wholly crossed the goal line or the touch line on the ground or in the air, or when play has been stopped by the Game Leader.

Method of Scoring: A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar. When goal posts are not available and cones are used for goals, a goal is scored when the ball passes between the cones without touching them, below shoulder height of the player.

Shin guards: Shin guards must be worn by all players without exception.

Substitutions: Players may be rotated on and off the field at any time during the game. A coach / parent may make substitutions while the ball is in play, ensuring the player is off the field before the substitute goes on. **Equal playing time should be a priority ensuring all players regardless of age, gender and / or ability get to take the field. Regular rotation of players is key.** Kids don't register to watch football – they just want to play! If there is space on the sidelines, substitutes should be encouraged to set up small-sided games or practice their skills in a designated area, not interfering with play.

Game Leaders: Each game is to be controlled by one Game Leader. The main role of the Game Leader is to keep the game moving fluently, limit stoppages and assist players with all match re-starts. Most importantly, they must make every effort to create an environment that ensures that all players have fun, are learning the game and have maximum involvement. The Game Leader can be a club official, parent, older child/player or beginner referee and should always be enthusiastic and approachable. Most importantly, remember the children are learning the game – be flexible and patient.

The Game Leader should: Encourage all children to have fun and different children to take re-starts, discourage players from permanently over-guarding the goal, use a "Ready, Set, Go" prompt to encourage quick decisions when restarting play, encourage children to dribble or pass ball to team mates rather than kick the ball long, ensure the opposing team is at least 5 metres outside the penalty area for all goal line restarts, ensure team officials and parents create a safe, enjoyable and positive playing environment for the children, encourage children to be involved in all aspects of the game, award free kicks as appropriate to help children learn the rules and consequences of committing fouls, explain the rules to players and why a free kick has been awarded, let the game flow and give instruction to all players on the run where you can, praise and encourage both teams and be enthusiastic and approachable.

Game leaders are encouraged to undertake a free FFA ALDI MiniRoos Certificate prior to start of the season - more information is available here:
https://www.playfootball.com.au/miniroos/club-getinvolved

THE FINAL WHISTLE

Football, often referred to as the beautiful game, has the unique ability to unite communities and foster a sense of belonging among its enthusiasts. Two distinct tiers within the football landscape are community football clubs and National Premier Leagues (NPL) football clubs. While both share a passion for the sport, they differ significantly in their structure, objectives, and impact on their respective communities.

Community Football Clubs: Are the grassroots of the sport, deeply embedded in the neighbourhoods they serve. These clubs are driven by a sense of community spirit, emphasising inclusivity and accessibility for players of all ages and skill levels. Typically run by volunteers and supported by local businesses, these clubs create a supportive environment where the love for the game takes precedence over competitive outcomes.

Key Features:

- **Inclusivity:** Community clubs open their doors to everyone, encouraging participation from diverse age groups and skill levels. The focus is on providing a platform for recreational enjoyment rather than high-level competition.
- **Volunteer-driven:** These clubs heavily rely on the dedication of volunteers, from coaches to administrators, fostering a sense of communal responsibility and teamwork.
- **Local Engagement:** Community clubs often engage with local schools, businesses, and residents to strengthen community bonds and promote the sport at the grassroots level.

NPL Football Clubs: National Premier Leagues (NPL) football clubs operate at a higher level, participating in structured competitive leagues that span regional and national levels. These clubs are more professional in their approach, aiming to develop talented players and compete at the highest echelons of the sport. NPL clubs often serve as a stepping stone for players aspiring to reach professional soccer leagues. Most players and roles are paid.

Key Features:

- **Competitive Structure:** NPL clubs participate in organized leagues with a clear focus on competition and player development. The environment is more structured, with a higher level of training and coaching expertise.
- **Player Development:** These clubs invest in player development programs, aiming to groom young talents for potential careers in professional soccer. NPL clubs often have partnerships with professional teams, facilitating player pathways to higher levels of competition.
- **Professional Infrastructure:** Unlike community clubs, NPL clubs may have access to more advanced facilities, coaching staff, and resources, contributing to a more professional and structured approach to the game.

Both community football clubs and NPL football clubs play pivotal roles in the football ecosystem, catering to different aspects of the sport. While community clubs foster inclusivity, recreation, and community engagement, NPL clubs focus on competition, talent development, and providing a pathway to professional football.
