TRAINING FOR REFEREES AND COACHES IN 2024

ALL VOLUNTEERS NEED A WORKING WITH CHILDREN CHECK - GET YOURS NOW!

OUR VALUES, VISION AND MISSION

New Lambton FC Juniors has adopted a set of Values to guide Club behaviour:

1. Wellbeing: We develop and promote a safe and supportive environment
2. Excellence: We strive for quality and improvement in everything we do
3. Integrity: We know and do what is right
4. Respect: We respect diverse views and opinions and act with integrity, and treat others as we expect to be treated

Our **WEIR Values** (Wellbeing, Excellence, Integrity and Respect) underpin everything we do as a Club, as well as how we expect all our players, volunteers and others to engage with one another and the community. Our Values help set our Club's Vision and Mission Statement.

Vision

For New Lambton FC Juniors to be the leading and most respected local community football club and to support and promote football to ensure it is the largest and most popular sport for males and females.

Mission

1. To provide for all our members a Club run to the highest standard, without limitation as to age, race, religion or gender.
2. To improve the publicity of, and public perception of, amateur football at the Club level, so as to foster the continued prosperity of the sport.
3. To encourage and assist new and current players wishing to participate in organised amateur football.
4. To provide high-quality facilities for the benefit of all our members and the wider community.
5. To provide a progression pathway for all our members, from grass-roots through to the highest level of football available.
6. To do all these things whilst having regard for the amateur nature of our membership, and therefore keeping Club / Player costs at the lowest possible level.

New Lambton FC Juniors understands the value of diversity, equity and inclusion and expects its members to treat each other and members of the community with dignity and respect. We are committed to creating an inclusive Club culture where everyone feels respected, valued and safe to contribute their opinions and talents to the success of the organisation so that we can drive positive community outcomes. We value diverse styles, experiences, and perspectives. People from diverse backgrounds (including but not limited to, Aboriginal and Torres Strait Islander Australians, people with diverse gender identities and sexualities, people from different cultural and linguistic backgrounds, people with disability, and veterans) are welcome.

LOOKING FOR VOLUNTEERS

Are you passionate about making a difference in your community?

Do you want to be part of an exciting and vibrant team?

Look no further – with just a few hours a week, you can be part of positive change.

Your Committee is already well into season 2024 and part of the huge task ahead is to call for volunteers for the 2024 season.

Your Club is calling for dedicated volunteers like you to join our family.

Who We Need

We welcome volunteers of all ages and backgrounds who share a love for football.

Whether you're a mum, dad, carer, brother, sister, coach, referee, event organiser or simply eager to support your Club, we want YOU!

What You'll Do

A little or a lot – whatever suits!

Whether you've got an hour a week or a couple of hours a week, we can use your help.

We need hands-on people who can help on game days, organising fields and making sure everything is set up and packed away properly.

We need people who can help us outside of game days, to make sure that equipment is maintained, referees are scheduled, small tasks are organised and accomplished and things like field maintenance is completed on time.

We need people who can help from home, in an administrative, book-keeping and / or financial capacity.

We need people to help develop and lead some of the advisory groups and sub-committees we need to form, such as the following:

- Female Consultative Group (Females / Gender Equality)
- Aboriginal and Torres Strait Islander Engagement
- Accessibility
- CALD – Cultural and Linguistic Diversity
- LGBTIQ+ Inclusion
- Youth Inclusion
- Fundraising (e.g. Bunnings BBQ's, etc)

Join us in fostering community spirit through the beautiful game.

Click **HERE** to kickstart your football journey today and to look at the various roles and jobs that are available, and put your details down. Many of the jobs can be shared, so they are not something that you need to commit to for every weekend.

For more information: Dave Thomas - **vicepresident@newlambtonfcjuniors.org.au**

ALL OUR VOLUNTEERS NEED A WORKING WITH CHILDREN CHECK

The Working with Children Check (WWCC) is a requirement for anyone who works or volunteers in child-related work in NSW. It involves a National Police Check (criminal history record check) and a review of reportable workplace misconduct.

To complete the check you will need:

- personal details, including date and place of birth
- 4 proof of identity (POI) documents including:
  - one commencement of identity document
  - one primary use in the community document
  - 2 secondary use in the community documents.

At least one of your documents must contain your signature and photo and all documents must be current and original.

The following documents are not acceptable:

- original paper documents that have been laminated
- photos, photocopies or certified copies
- expired documents (unless specified).
- Note: NSW digital driver licence is accepted.

The outcome of a check is either a clearance to work with children or a bar against working with children. If cleared, the check will be valid for 5 years, however applicants are continuously monitored. Upon completion you will be given a reference number which you will need to take to Service NSW with the identification used for verification. Note: Once you've provided your identity documents at the service centre, the National Police Criminal History check begins. This process can take up to 4 weeks.

The website is: **Working With Children Check - Apply**

2024 MUSTER DAY

What is Muster Day?

- Muster Day is a very important part of our Club's pre-season, and is a time that team members may get together, meet each other, hear important information from the Club and make decisions on coaches, managers and training time / location.
- This is an important date and players and parents / guardians should plan to attend.

When is Muster Day?

- Muster Day is Sunday 25 February 2024 - times to be confirmed.

Where is Muster Day being held?

- The location is to be confirmed shortly, although it shall be somewhere local.

TRIAL GAMES

This year our pre-season trial games shall be played with our good friends at Maitland Junior Football Club. Games shall be split across both grounds - MJFC are going to host some at Fieldsend Oval and we shall host some at Novocastrian Park.

Given the volume of teams we are going to have this year, a split across both areas is necessary to get through all the games. This is an excellent arrangement, and gives both clubs the opportunity to "blow the cobwebs out" prior to the season-proper.

The dates of 5th, 6th and 7th April have been earmarked for the Trial Games Weekend.

We are looking to include Miniroos as well as Competition teams, so there may likely be in excess of 70 games across the weekend - a big weekend for all involved so we will also be calling for volunteers to help out.

More details shall be made available shortly, so can all coaches, managers and parents please give this some consideration as we will need to move quickly to ensure the smoothest pre-season trial game weekend possible.

Transport to Fieldsend Oval for those teams playing there shall need to be arranged by the team / player - NLFCJ shall not be arranging transport.

2024 PLAYER REGISTRATION FAQ'S

When does the season commence and finish?

- The season typically starts on the last weekend of April and runs to early August.
- Exact dates shall be available once Newcastle Football releases the playing draw.
- U12+ competition teams have a final series which will run until early September.

What gear and equipment do I need to purchase?

- As part of the registration fee each player will receive socks, shorts, training shirt and playing shirt prior to season commencement.
- Each player will need to provide their own shin pads and football boots.

REFEREES TRAINING

Here is the information regarding the new process for the level 4 referee course - it has now changed to mostly online with a review and practical session face-to-face.

The steps for candidates to take include:

1. Complete the online Laws of the Game course **HERE**.
    - Simply click on the "If you are a learner, click here" and login using standard Playfootball account details (same as players or parents use to register).
    - If no account, then create one.
    - Click on training library on left hand side.
    - Then select "Referees - Laws of the Game".
    - Complete the modules.
    - This part is free.
2. Complete the level 4 course by going back to the library and selecting "Referee Community - Member Federation".
    - You will need to select the face-to-face component here and pay for the course prior to obtaining access to the modules.
3. Attend the face-to-face (3 hrs) review of theory and practical sessions.
    - Location will depend on which one is chosen in step 2.
    - If you do not attend this session, you won't obtain the actual accreditation.

The NNSWF Referees department have not uploaded any face-to-face dates just yet, but will shortly, so at writing the Laws of the Game session can only be completed at this stage but this is a good start.

The face-to-face sessions will be at the NNSWF facility at Speers Point and also at Newcastle Football office, with other venues dependent on numbers, etc.

HELP ME COACH - COACH TRAINING

The NLFCJ Committee is pleased to announce that Anthony and Jacob from **HelpMeCoach** will be returning in 2024 to run sessions for our Miniroos (U6 - U11) and Competition (U12 - U18) team coaches.

MINIROOS

Returning Coaches session (for those coaches that participated in 2023) - Monday 18th March at 7:00pm.

New Coaches session (for those coaches who haven't previously attended a HelpMeCoach session) - Monday 25th March at 7:00pm.

Please save the date NOW and further details and registration will be provided closer to season commencement.

Don't miss out - these sessions had fantastic reviews from our coaches in 2023.

Sessions will be held at Novocastrian Park and will run for approximately 90 minutes.

COMPETITION

Please be mindful that this course is strictly for selected Community Coaches in the Newcastle Football Zone. If you are eligible for this training you should have received an email from the Club. Also, if you were not a Competition team coach in 2023 but are taking over the coaching duties in 2024, you are eligible for this training. If you are unsure of your eligibility, please **CONTACT** us with "COMPETITION COACH THE COACHES COURSE 2024" in the subject line.

This 3-week coaching course is ultimately aimed at individuals who are coaching in the Interdistrict competition (U12 - U18) who enjoy coaching and want to enhance their skills within the game. The course will be in person at Wallarah Oval on Monday 12th, 19th and 26th of February 2024 and will include both theory and practical sessions.

The course will also bring an opportunity to coach a team with Newcastle Football at the Community State Championships which will be held in the 2nd week of the July School Holidays at LMRFF. Anthony and Jacob will be the technical directors for the tournament and will be able to guide our coaches through the whole process of selecting and training a team for a tournament.

Although it is not necessary for the participants to do this, we would like to encourage the coaches to have a go and gain experience through likeminded individuals. Please also note that Newcastle Football will cover the cost of the course if the participant is selected and willing to coach a team at the Community State Championship tournament in 2024.

If you are eligible and interested please fill out the EOI form **HERE**

If you do apply for the course, please **LET US KNOW** with "COMPETITION COACH THE COACHES COURSE 2024" in the subject line.

THE OFFSIDE RULE

OFFSIDE POSITION

A player is in an offside position when any part of their body* is:

- in the other team's half (the halfway line does not count) and
- closer to the opponents' goal line than both:
  - the second-last opponent, including the goalkeeper and
  - the ball

*the hands and arms of all players (including the goalkeepers) are not included when judging an offside position.

The player's position is judged at the moment the ball is played/touched by one of their team-mates.

NO OFFSIDE POSITION

A player is not in an offside position when they are:

- in their own half or on the halfway line
- behind or in line (level) with the second-last opponent (including the goalkeeper)
- behind or in line (level) with the ball
- in the opponents' goal, as long as they are not committing an offside offence, e.g. interfering with the goalkeeper or a defender

When else is a player not offside?

Even if they are in an offside position, a player is not penalised for offside if they receive the ball:

- when the ball is deliberately played by an opponent, including the goalkeeper, unless it is a save , i.e. an attempt to stop the ball from going into or very close to the goal
- from an opponent's deliberate handball
- directly from a:
  - throw-in
  - corner kick
  - goal kick

NOTE:

- There is no offside rule in **MiniRoos Under 6 & 7**. Game Leaders should strongly discourage children from permanently standing in blatant offside positions.
- There is no offside rule in **MiniRoos Under 8 & 9**. Game Leaders should strongly discourage children from permanently standing in blatant offside positions.
- The official offside rule does not apply to **MiniRoos Under 10 & 11**. Goals can be scored from the offside position. Game Leaders should direct players permanently standing in blatant offside positions to move into onside positions. Children should be made aware of the official offside rule during training and be encouraged to adopt this philosophy during the game at all times.

OUR CHANGE ROOM POLICY

- **Change Room:** Players should be supervised at all times. A lone personnel member should never be in the dressing room with players at any time, and especially when they are showering or changing: two (2) adults should be present together; which is called the "Rule of Two" policy. Should separate dressing rooms be required, both dressing rooms require the appropriate adult supervision.
- **Injury Treatment:** The safety person should avoid treating injuries out of sight of others. Use the "Rule of Two" (two adults) supervision system.
- **Female Teams:** Recommend that when using the "Rule of Two" policy with female teams, there shall be 2 female supervisors with the players where possible. If not possible there may be one (1) male and one (1) female supervisor. The male supervisor however, would not enter the dressing room but would be within hearing distance to protect supervisors or players.
- **Physical Contact:** Team personnel should avoid touching a player. Use the "Rule of Two" policy (two personnel, or two players) supervision system. The comfort level and dignity of the player should always be the priority. Limit touching to "safe areas" such as hand to shoulder.
- **Isolated Spaces:** Parents / guardians should never leave their child unsupervised in a facility, nor should they leave their child alone with a single personnel member (use the "Rule of Two" supervision system).
- **Sport and Training Facilities:** Participants who are minors should never be left waiting in a facility without the supervision of their parent / guardian or personnel member (use the "Rule of Two" policy).
- **Parents in Change Rooms:** Except for players at the younger age groups (Miniroos), we discourage parents from entering change rooms unless it is truly necessary. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player.

Naturally, with our youngest age groups it is necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the change room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a change room. In general, parents should not enter the dressing room if the players undress to less than shorts and t-shirts.

Smart phones and other mobile devices with recording capabilities, including still cameras and video cameras, are not permitted to be used in the change rooms.

OUR CHOSEN CHARITIES

Being a community, family-focussed Club, we feel that supporting charities is a meaningful way for the Club to contribute to positive societal changes, express empathy, and address pressing issues. Charitable support and contributions play a vital role in creating a more compassionate and equitable world.

Our Club's chosen charities are **Got Your Back Sista** and **Black Dog Institute**.

LOOKING FOR CLUB PARTNERS

Running a community football Club is not easy, and we generally have only two things that stop our Club from being the best we can be - volunteers and funding.

We have some fantastic Club sponsors, supporters and partners, although we are always looking for more funding partners to allow the Club to thrive and to ensure that the equipment we have is fit-for-purpose, safe and ready to go.

For example - to provide everyone a practice ball at training, we need around 1,000 balls (plus another 100 or so for game balls). For everyone to have a training bib, we need around 1,000 bibs, plus nearly 200 volunteer bibs. To have enough training cones for all the teams, we need around 1,600 cones. For each team to have portable mini-goals for training we need around 80 sets of goals. This is just a small insight into some of the things we need to make your Club be as good as it can be.

We need people to help with general teams management, gear and equipment distribution, general administrative tasks, helping with game days and assisting at our Bunnings BBQ's - to name just a few. If you think you can help by volunteering some of your time or if you know someone who may be interested, please reach out to us for more information on **info@newlambtonfcjuniors.org.au**

If you are considering a Club sponsorship or if you know someone who may be in a position to do so, please contact us on **supporter@newlambtonfcjuniors.org.au**

DID YOU KNOW THAT.....

New Lambton boasts a rich history deeply intertwined with coal mining and community spirit. Here are some interesting nuggets to pique your curiosity:

Coal Roots:

- **Twin Births:** New Lambton wasn't always its own entity. It emerged alongside Lambton in the 1860s, both born from the establishment of the Scottish-Australian Coal Mining Company's Lambton Colliery.
- **Model Mine Town:** New Lambton was designed as a "model" mining town, boasting spacious houses with gardens for miners and their families, a stark contrast to the cramped conditions elsewhere.
- **Electric Pioneer:** In 1891, New Lambton became the first municipality in the Newcastle district to be lit by electric light, showcasing its forward-thinking spirit.

Beyond the Mine:

- **Community Spirit:** Despite its mining roots, New Lambton fostered a strong sense of community. Sporting clubs like the New Lambton Football Club (founded in 1896) and the Western Suburbs Rugby League Club cemented this spirit.
- **Water Woes:** Early residents faced water challenges, relying on wells and rainwater tanks. The construction of the New Lambton Reservoir in 1927 was a major milestone, alleviating these struggles.
- **Transformation:** Following the closure of the Lambton Colliery in the late 1950s, New Lambton transitioned from a mining town to a predominantly residential suburb. Today, it retains its cultural heritage while embracing new developments.

Early Days of Novocastrian Park:

- The Orchardtown Road Precinct, where Novocastrian Park is located, has a rich history dating back to the early days of European settlement in Newcastle. The area was originally known as "Lambton South" and was used for farming and grazing. In the late 19th century, the area began to be developed for housing, with the arrival of the railway line in 1887 leading to a rapid increase in population.
- One possibility is that the land where Novocastrian Park is now located was once part of a larger farm or property. It's also possible that it was used for market gardening or other agricultural purposes.
- While Novocastrian Park itself doesn't have an extensive history like the suburb of New Lambton, it's still played a key role in the community, particularly for sports enthusiasts.
- The exact opening date of Novocastrian Park is a bit unclear, but it appears in records from the late 1960s or early 1970s. Originally, it consisted of just one or two sports fields. It wasn't always called Novocastrian Park. Early on, it was known as "New Lambton No. 2 Reserve" or simply "The Second Park."

INCLUSION, DIVERSITY AND EQUITY

We are here to serve our community. Our community is made up of people with diverse experiences and perspectives – and so should we be! We want to be a Club of choice for people from all walks of life, not just because it's the right thing to do, but because it makes sense.

New Lambton FC Juniors is committed to making Inclusion, Diversity & Equity (IDE) at our Club a priority. We want to create an inclusive Club culture where everyone feels respected, safe and valued so they can be themselves and fully contribute their opinions and perspectives to the success of the Club and the wider community.

We value diversity of thought and we focus on equity at the Club. We expect that all people associated with the Club will treat each other and members of the community fairly and respectfully.

This aligns with our WEIR values.

We are currently developing our first Inclusion, Diversity and Equity (IDE) Strategy. The IDE Strategy outlines six diversity focus areas, which are traditionally linked to systemic barriers and disadvantages in the workplace:

- **Aboriginal and Torres Strait Islander Engagement**
- **Accessibility**
- **CALD – Cultural and Linguistic Diversity**
- **Females / Gender Equity**
- **LGBTIQ+ Inclusion**
- **Youth Inclusion**

There are many diversity groups in Australia and just as many different equity challenges which need to be addressed. Since our organisation is at a foundational level of IDE maturity, we will begin our work in this space by concentrating our efforts on the above six areas. However, our priorities will be reviewed regularly and we may include other focus areas in the future.

Further information can be found via one of the links above, or **HERE**.

OUR SUPPORTERS AND PARTNERS

MGRATH REAL ESTATE NEW LAMBTON Home to a team of passionate property specialists with exceptional skills in Real Estate, the McGrath New Lambton Real Estate Agency is dedicated to achieving outstanding results tailored to the individuals needs. Contact us on 4952 6500.

Contact us on production@abesaudio.com

THE FINAL WHISTLE

Running a community soccer club is a labor of love, fuelled by a passion for the beautiful game and a desire to foster a sense of belonging and community. It's a world away from the glitz and glamour of professional soccer, yet it's brimming with its own unique challenges and triumphs.

Challenges that Test the Mettle

- **Shoe-String Budgets:** Our Club often operates on a shoestring budget, relying on fundraising, sponsorships, and the dedication of volunteers to keep the wheels turning. This can mean juggling limited resources to cover equipment, pitch maintenance, insurance, and other essential costs.
- **Volunteer Power:** The lifeblood of any community club is its volunteers. From coaches and referees to committee members and concession stand operators, these dedicated individuals give their time and energy to ensure the smooth running of the club. Finding and retaining volunteers can be a constant challenge.
- **Balancing Act:** Our Club caters to players of all ages and abilities, from enthusiastic youngsters to seasoned veterans. Striking a balance between providing competitive opportunities for everyone while fostering a fun and inclusive environment can be a delicate task.
- **Weather Woes:** Mother Nature can be a fickle opponent for outdoor sports. Rain, hail, or scorching sunshine can disrupt schedules, damage pitches, and test the patience of players, coaches, and parents alike.

Triumphs that Warm the Heart

- **Seeing the Spark:** Witnessing the joy on a child's face as they score their first goal, the camaraderie among teammates, or the dedication of players pushing their limits – these are the moments that make running our Club truly rewarding.
- **Building Community:** Our Club is more than just sporting organisation; it's a hub for social interaction and community spirit. It provides a safe space for people to connect, make friends, and forge lasting bonds.
- **Developing Talent:** Our Club plays a crucial role in nurturing young talent. We provide the foundation and training that can pave the way for future success, both on and off the pitch.
- **Making a Difference:** Our Club can make a real difference in the lives of our members. We promote physical and mental well-being, teach valuable life skills, and instill a sense of discipline and teamwork.

The Rewards Outweigh the Challenges

Running a community football club is not for the faint of heart. It requires dedication, resilience, and a genuine passion for the game and the community it serves. For those who embrace the challenges, the rewards are immeasurable. The sense of satisfaction that comes from seeing players grow, families connect, and a community thrive makes it all worthwhile.

So, the next time you are watching one of our community football matches in action, remember the dedication and passion that goes into making it happen. Our Club is the beating heart of grassroots soccer, and we play a vital role in enriching the lives of countless individuals. Let's celebrate our triumphs and support our endeavours.
